OUR CORE VALUES

TECHNOLOGY ADVANCEMENT

TRUSTWORTHINESS

SUPPORTIVE

TECHNOLOGY

Nowadays, technology is one of the most important elements of investing and finance. We know that, that's why we constantly improve our trading application in accordance with the latest trends and solutions. Our ambition is to make LSC one of the most reliable and functional trading platforms on the market.

TRUST

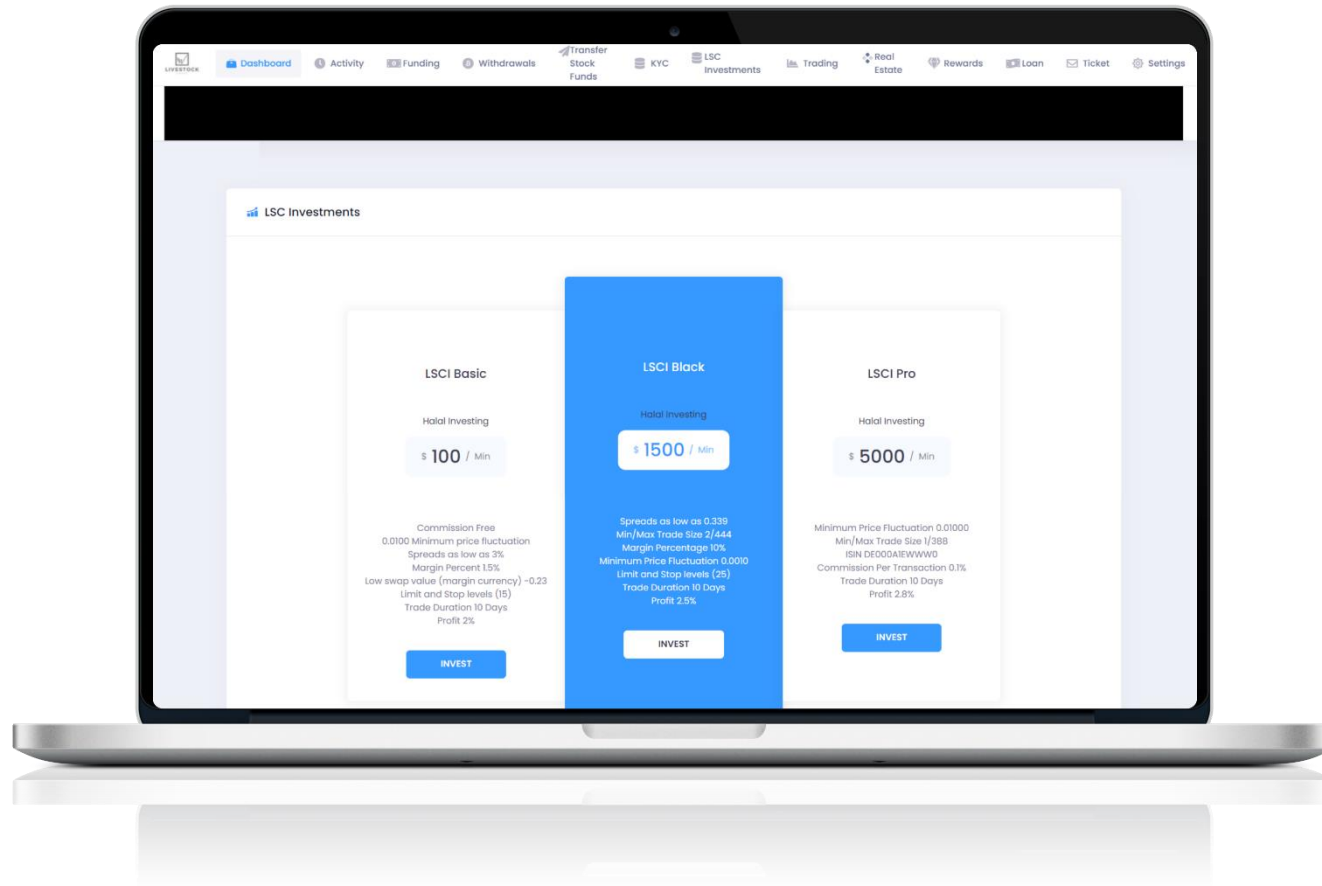

Over 3 years of activity in the financial markets, we have earned the trust of over **140,000** customers around the world. Your investments are safe with us - we have supervision of the world's biggest supervision authorities: FCA, KNF, and IFSC.

SUPPORT

We are here to help our clients become better investors. That's why our experienced customer service team works 24 hours a day for a good five (5) days a week, and our extensive library of educational materials contains videos, webinars and courses suitable for both beginners and experienced investors.

02

LSC INVESTMENT PORTFOLIO EXPLAINED

You are graced with the LSC Investment Portfolio page once you are logged into your account and clicked on the “LSC INVESTMENTS” option.

The LSC Investment Portfolio comprises of several packages which are strictly customized by LSC and all have the LSCI tag such as – LSCI Basic, LSCI Black, LSCI Pro and a host of many more.

These portfolios were specifically designed with our shareholders and potential clients at heart as it is simple to navigate through and around as well, very much user friendly.

For directions on how to register an account or how to navigate through and around the user dashboard, kindly refer to our **LSC WEB GUIDE**.

These **LSC Investment (LSCI)** portfolio packages have various prices ranging from **100.00USD** to **250.00USD** of **LSCI Basic** and **TESLA Bonds** respectively.

Despite the nature of the organization of these respective investment portfolio packages which we are about to discuss, as a shareholder or our supposed client, you reserved the right as entailed in our policy to have an investment portfolio package fully customized to your desire but in most cases, will have to deal with figures above the supposed maximum in the **LSCI** which is **250,000.00USD** of the **TESLA Bond**.

Our Investment Portfolio Packages (LSCI) include:

- **LSCI BASIC (100.00USD MINIMUM)**

COMMISSION FREE	MINIMUM PRICE FLUCTUATION - 0.01	SPREAD - 3%	MARGIN PERCENTAGE - 1.5
SWAP VALUE - 0.23	LIMIT AND STOP LEVELS - 15	DURATION - 10 DAYS	PROFIT - 2%

For the above detailed investment portfolio package - as seen, the minimum amount a shareholder can invest in this plan is **100.00USD** of which you are guaranteed a ROI of **2%** after a period of **10 days** - all capital inclusive.

This arithmetic subsequently applies to all and other investment portfolio packages as shown on our platform.

Other LSC Investment Portfolio Packages include:

- **LSCI BLACK (1,500.00USD MINIMUM)**

All the abovelisted investment portfolio packages are here as they are on our platform and have been carefully selected and analyzed so as to ensure a guaranteed ROI for our shareholders, clients and potential partners.

When you are done analyzing these packages on our platform, you are then expected to click on "INVEST" option as shown directly below the package. When this option is clicked, you will further be directed to a new page onto where you will make your package purchase by sending the supposed amount as on the package plan to the designated wallet address which you will be shown. The wallet address which you will be shown depends on the convenient payment method chosen by you, our distinguished client.

03

WHY YOU SHOULD TRUST US

Being in the brokerage and investments space for almost past a decade, there are reasons we stand out of all our competition as we have proven our capabilities by building a sustainable portfolio on investments which has attracted us several awards and nominations in the international finance and brokerage community.

Having retiring our based payments to **cryptocurrencies** or otherwise, referred to as **digital assets** in some country regions, we have successfully taken advantage of the various market surges in the crypto economy to counter for all our shareholders' and clients' supposed losses, hereby having a self-sufficient and functional system that guarantees ROI of all investments made with and through us for over an estimated period of 30+ years.

100% GUARANTEED ROI

INTERNATIONAL RECOGNITION

SELF-SUSTAINING SYSTEM

AUTOPAY

All these and lots more contributed to the why we are trustworthy enough which got us a paid partnership and sponsorship with the Turkey International Football Team and also, a **HALAL Certification**.

04

OUR INSURANCE POLICY

Considering the quality of financial and brokerage services we do offer here at LSC, We did not forget the necessity of having all our user accounts insured not only with **FINSEC**, but with several other internationally recognized financial accounting and banking institutions. This move is quite strategic so as to ensure that all indemnities are covered in any case of mishap or jeopardy in a shareholder's or client's account.

For any other information on our firm and mode of operation as well as a guide through our platform, please endeavor to visit our LEGAL web page or make a request through any of our outlets and the document will be made available to you as soon as the request is processed.

On this same hand, do not hesitate to make your complaint regarding our services as demanded and directed in our "**Complaint Handling Policy**".

We wish you a fruitful investment period with us!
